10 have been approved by the state administrative board.

11 Sec. 3. (1) The department of technology, management, and
12 budget may take the necessary steps to convey or transfer real
13 property described in section 2 using any of the following means:

28 (e) Exchanging some or all of the property for other real
29 property if the other real property is determined by the department

1 of technology, management, and budget to be of reasonably equal
2 value to this state.

3 (f) Offering the property for sale for less than fair market
4 value to the units of local government in which the property is
5 located, subject to the following conditions:

6 (i) The department of technology, management, and budget may
7 provide notice to each unit of local government of the property's
8 availability. The department shall give the first opportunity to
9 purchase the property to the first unit of local government to make
10 an offer by registered mail to purchase the property.

11 (ii) If a unit of local government makes an offer to purchase
12 the property that is accepted by the department of technology,
13 management, and budget, the unit of local government shall enter
14 into a purchase agreement within 60 days after making the offer and
15 complete the conveyance within 180 days after making the offer. The
16 department of technology, management, and budget may extend the
17 time to complete the conveyance as needed.

18 (iii) If there are competing offers from units of local
19 government, the department of technology, management, and budget
20 shall determine what is in the best interests of this state in
21 determining which unit of local government to convey the property
22 to.

23 (iv) The property must be used exclusively for public use for
24 30 years after the conveyance. If a fee, term, or condition is
25 imposed on members of the public for use of the property, or if
26 such a fee, term, or condition is waived, all members of the public
27 must be subject to the same fees, terms, conditions, and waivers.
28 The public use restriction must be included in the deed.

29 (v) If the unit of local government intends to convey the

1 property within 30 years after the conveyance, the unit of local
2 government must first offer the property for sale, in writing, to
3 this state, which may purchase the property at the original sale
4 price. The unit of local government shall provide this state 120
5 days to consider reacquiring the property. If this state agrees to
6 reacquire the property, this state is not liable to any person for
7 improvements to or liens placed on the property. If this state
8 declines to reacquire the property, the public use restrictions
9 described in subparagraph (iv) remain in effect.

10 (vi) If the unit of local government retains the property for
11 30 years after the date of conveyance from this state, the public
12 use restrictions described in subparagraph (iv) automatically
13 terminate.

14 (vii) The department of technology, management, and budget may
15 require the unit of local government to reimburse this state at
16 closing for costs demonstrably incurred by this state that were
17 necessary to prepare the property for conveyance.

18 (2) If real property is to be sold for fair market value under
19 this section, the fair market value must be determined by an
20 independent fee appraisal prepared for the department of
21 technology, management, and budget, or by an appraiser who is an
22 employee or contractor of this state.

23 Sec. 4. (1) The department of attorney general shall approve
24 as to legal form a deed or affidavit of jurisdictional transfer
25 authorized by this act.

27 improvements on the property and all surplus, salvage, and scrap
28 property or equipment remaining on the property on the date of the
29 conveyance.

1 (3) This state shall not reserve oil, gas, or mineral rights
2 to property conveyed under this act. However, the conveyance
3 authorized under this act must provide that, if the grantee or any
4 successor develops any oil, gas, or minerals found on, within, or
5 under the conveyed property, the grantee or any successor must pay
6 this state 1/2 of the gross revenue generated from the development
7 of the oil, gas, or minerals. A payment under this subsection must
8 be deposited in the general fund.

9 (4) A conveyance under this act must reserve to this state all
10 aboriginal antiquities, including mounds, earthworks, forts, burial
11 and village sites, mines, or other relics lying on, within, or
12 under the property, with power to this state and all others acting
13 under its authority to enter the property for any purpose related
14 to exploring, excavating, and taking away the aboriginal
15 antiquities.

16 (5) If property conveyed under this act was officially
17 designated or used by this state as a historical monument,
18 memorial, burial ground, park, or protected wildlife habitat area,
19 the grantee or any successor shall maintain and protect the
20 property for that purpose in perpetuity in accordance with
21 applicable law.

22 (6) If property conveyed under this act is used in a manner
23 that violates any of the restrictions imposed under section 3 or
24 subsection (3), (4), or (5), this state may reenter and take the
25 property, terminating the grantee's or any successor's estate in
26 the property. If the grantee or successor disputes this state's
27 exercise of its right of reentry, an action to quiet title to and
28 regain possession of the property may be brought and maintained by
29 the attorney general on behalf of this state.

1 (7) If this state reenters and repossesses property under
2 subsection (6), this state is not liable to reimburse any person
3 for any improvements made on the property or to compensate any
4 person for any part of an unfulfilled contract or license issued to
5 provide goods or services on or for the property.

6 Sec. 5. (1) The department of corrections is responsible for
7 all due diligence duties and expenses required for prudently and
8 properly maintaining the property to be conveyed or transferred
9 under this act until the time of conveyance or jurisdictional
10 transfer.

11 (2) The department of technology, management, and budget may
12 require a grantee of property conveyed under this act or recipient
13 under an affidavit of jurisdictional transfer to record the
14 instrument of conveyance or transfer with the appropriate register
15 of deeds and provide the department of technology, management, and
16 budget with a recorded copy of the recorded instrument.

17 (3) The department of technology, management, and budget shall
18 deposit the net revenue received from the sale of property under
19 this act in the state treasury. The state treasurer shall credit
20 the money deposited to the general fund.
