*The People of the State of Michigan enact:*

Sec. 1062. (1) The circuit court in any judicial circuit or the district court in any judicial district may adopt or institute a drug treatment court, pursuant to statute or court rules. However, if the drug treatment court will include in its program individuals who may be eligible for discharge and dismissal of an offense, delayed sentence, or deviation from the sentencing guidelines, the circuit or district court shall not adopt or institute the drug treatment court unless the circuit or district court enters into a memorandum of understanding with each participating prosecuting attorney in the circuit or district court district, a representative of the criminal defense bar, and a representative or representatives of community treatment providers. The memorandum of understanding also may include other parties considered necessary, such as any other prosecutor in the circuit or district court district, local law enforcement, the probation departments in that circuit or district, the local substance abuse coordinating agency for that circuit or district, a domestic violence service provider program that receives funding from the state domestic violence prevention and treatment board, and community corrections agencies in that circuit or district. The memorandum of understanding shall describe the role of each party.

(2) The family division of circuit court in any judicial circuit may adopt or institute a juvenile drug treatment court, pursuant to statute or court rules. However, if the drug treatment court will include in its program individuals who may be eligible for discharge or dismissal of an offense, or a delayed sentence, the family division of circuit court shall not adopt or institute a juvenile drug treatment court unless the family division of circuit court enters into a memorandum of understanding with each participating county prosecuting attorney in the circuit or district court district, a representative of the criminal defense bar specializing in juvenile law, and a representative or representatives of community treatment providers. The memorandum of understanding also may include other parties considered necessary, such as any other prosecutor in the circuit or district court district, local law enforcement, the probation departments in that circuit, the local substance abuse coordinating agency for that circuit, a domestic violence service provider program that receives funding from the state domestic violence prevention and treatment board, and community corrections agencies in that circuit. The memorandum of understanding shall describe the role of each party. A juvenile drug treatment court is subject to the same procedures and requirements provided in this chapter for drug treatment courts created under subsection (1), except as specifically provided otherwise in this chapter.

(3) A court that is adopting a drug treatment court shall participate in training as required by the state court administrative office and the bureau of justice assistance of the United States department of justice.

(4) A court that has adopted a drug treatment court pursuant to this section may accept participants from any other jurisdiction in this state based upon either the residence of the participant in the receiving jurisdiction or the unavailability of a drug treatment court in the jurisdiction where the participant is charged. The transfer is not valid unless it is agreed to by all of the following:

- (a) The defendant or respondent.
- (b) The attorney representing the defendant or respondent.
- (c) The judge of the transferring court and the prosecutor of the case.
- (d) The judge of the receiving drug treatment court and the prosecutor of a court funding unit of the drug treatment court.

Sec. 1068. (1) If the individual being considered for admission to a drug treatment court is charged in a criminal case or, in the case of a juvenile, is alleged to have engaged in activity that would constitute a criminal act if committed by an adult, his or her admission is subject to all of the following conditions:

- (a) The offense or offenses allegedly committed by the individual must be related to the abuse, illegal use, or possession of a controlled substance or alcohol.
- (b) The individual, if an adult, must plead guilty to the charge or charges on the record. The individual, if a juvenile, must admit responsibility for the violation or violations that he or she is accused of having committed.
- (c) The individual must waive, in writing, the right to a speedy trial, the right to representation at drug treatment court review hearings by an attorney, and, with the agreement of the prosecutor, the right to a preliminary examination.
- (d) The individual must sign a written agreement to participate in the drug treatment court.

(2) In the case of an individual who will be eligible for discharge and dismissal of an offense, delayed sentence, or deviation from the sentencing guidelines, the prosecutor must approve of the admission of the individual into the drug treatment court in conformity with the memorandum of understanding under section 1062.

(3) An individual shall not be admitted to, or remain in, a drug treatment court pursuant to an agreement that would permit a discharge or dismissal of a traffic offense upon successful completion of the drug treatment court program.

(4) In addition to rights accorded a victim under the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.751 to 780.834, the drug treatment court must permit any victim of the offense or offenses of which the individual is charged, any victim of a prior offense of which that individual was convicted, and members of the community in which either the offenses were committed or in which the defendant resides to submit a written statement to the court regarding the advisability of admitting the individual into the drug treatment court.

(5) An individual who has waived his or her right to a preliminary examination and has pled guilty or, in the case of a juvenile, has admitted responsibility, as part of his or her application to a drug treatment court and who is not admitted to a drug treatment court, shall be permitted to withdraw his or her plea and is entitled to a preliminary examination or, in the case of a juvenile, shall be permitted to withdraw his or her admission of responsibility.

This act is ordered to take immediate effect.
